DISCLAIMER

This document has been prepared by CTT – Correios de Portugal, S.A. (the “Company” or “CTT”) exclusively for use during the 2025 General Shareholders Meeting, on 30 April 2025. As a consequence thereof, this document may not be disclosed or published, nor used by any other person or entity, for any other reason or purpose without the express and prior written consent of CTT. This document (i) may contain summarised information and be subject to amendments and supplements, and (ii) the information contained herein has not been verified, reviewed nor audited by any of the Company's advisors or auditors.

Except as required by applicable law, CTT does not undertake any obligation to publicly update or revise any of the information contained in this document. Consequently, the Company does not assume liability for this document if it is used for a purpose other than the above. No express or implied representation, warranty or undertaking is made as to, and no reliance shall be placed on, the accuracy, completeness or correctness of the information or the opinions or statements expressed herein. Neither the Company nor its subsidiaries, affiliates, directors, employees or advisors assume liability of any kind, whether for negligence or any other reason, for any damage or loss arising from any use of this document or its contents. Neither this document nor any part of it constitutes a contract, nor may it be used for incorporation into or construction of any contract or agreement.¹

This document has an informative nature and does not constitute, nor must it be interpreted as, an offer to sell, issue, exchange or buy any financial instruments (namely any securities issued by CTT or by any of its subsidiaries or affiliates), nor a solicitation of any kind by CTT, its subsidiaries or affiliates. Distribution of this document in certain jurisdictions may be prohibited, and recipients into whose possession this document comes shall be solely responsible for informing themselves about, and observing any such restrictions. Moreover, the recipients of this document are invited and advised to consult the public information disclosed by CTT on its website (www.ctt.pt) as well as on the Portuguese Securities Market Commission's website (www.cmvm.pt). In particular, the contents of this presentation shall be read and understood in light of the financial information disclosed by CTT, through such means, which prevail in regard to any data presented in this document. By attending the meeting where this presentation is made and reading this document, you agree to be bound by the foregoing restrictions.

FORWARD-LOOKING STATEMENTS

This presentation contains forward-looking statements. All the statements herein which are not historical facts, including, but not limited to, statements expressing our current opinion or, as applicable, those of our directors regarding the financial performance, the business strategy, the management plans and objectives concerning future operations and investments are forward-looking statements. Statements that include the words “expects”, “estimates”, “foresees”, “predicts”, “intends”, “plans”, “believes”, “anticipates”, “will”, “targets”, “may”, “would”, “could”, “continues” and similar statements of a future or forward-looking nature identify forward-looking statements.

All forward-looking statements included herein involve known and unknown risks and uncertainties. Accordingly, there are or will be important factors that could cause our actual results, performance or achievements to differ materially from those indicated in these statements. Any forward-looking statements in this document reflect our current views concerning future events and are subject to these and other risks, uncertainties and assumptions relating to the results of our operations, growth strategy and liquidity, and the wider environment (specifically, market developments, investment opportunities and regulatory conditions).

Although CTT believes that the assumptions beyond such forward-looking statements are reasonable when made, any third parties are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of CTT, what could cause the models, objectives, plans, estimates and / or projections to be materially reviewed and / or actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements.

Forward-looking statements (in particular, the objectives, estimates and projections as well as the corresponding assumptions) do neither represent a commitment regarding the models and plans to be implemented, nor are they guarantees of future performance, nor have they been reviewed by the auditors of CTT. You are cautioned not to place undue reliance on the forward-looking statements herein.

All forward-looking statements included herein speak only as at the date of this presentation. Except as required by applicable law, CTT does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

2024, a transformational year

Strategic & Operational Review

A leading e-commerce logistics player, delivering parcels to the whole of Iberia **ctt**

CTT IN A NUTSHELL

Originally a postal operator, CTT successfully evolved to become a comprehensive **Iberian e-commerce logistics player**

- Founded in 1520
- Publicly listed in 2013
- €1.1b market cap¹
- Consolidated revenues of €1.1b

8% 5-year CAGR
Revenue growth

43% +9pp y.o.y.
Contribution² of E&P

28% +9pp y.o.y.
Contribution² of Spain

8% EBIT³
margin

Leveraging strategic assets...

- Strong and trusted **brand** for people and businesses
- Unparalleled **retail network** in Portugal
- Unique **sales force**, underpinned by **universal access to B2B** customers
- Unique **last-mile distribution network**, increasingly integrated at Iberian level
- A business **presence in Spain**

... as a highly synergic platform

- Retail network shared by **bank, FS, mail** and **parcels**
- **Mail workforce delivering E&P**
- **Integration** between logistic networks of **mail** and **E&P**
- Immediate **access** to the **Spanish market**

Data as at 31 December 2024

>20k PUDOs

>1,000 lockers in Portugal
≈ 10k to be deployed over next years in Iberia

2024 review

Standardisation of Iberian offer

- Standardisation of commercial offers
- Operational optimisation of distribution network
- Iberian PUDO network (collectt)
- Continued focus on quality

>20,000 PUDOs

- Launch of Iberian PUDOs brand: collectt
- >1,000 lockers deployed in Portugal
- Launch of deployment of lockers in Spain

Inorganic growth

- Acquisition of Cacesa to increase customs clearance business
- Partnership with DHL to capture cross border flows in B2C and expand B2B business

2025 priorities

PUDOs and lockers

Accelerate the expansion of the collectt network

Synergies

Conclude recent transactions

Organic growth

Maintain high quality to continue to expand market share

Profitability

Take advantage of operational leverage to further expand margins

Strengthening business portfolio in e-commerce logistics

Continued volume growth in E&P Iberia

EXPRESS & PARCELS | OPERATIONAL RESULTS

High quality and efficiency

- Maintain a quality service with high delivery efficiency rates despite an increase in daily volumes

Service portfolio expansion

- New customs clearance unit in Madrid significantly reducing cost and delivery times for out-of-EU volumes
- Returns handling
- >20,000 convenience points in Iberia
- >1,000 lockers in Portugal

Commercial agility

- Onboarding relevant new customers and increasing volumes from existing ones
- New large international e-sellers
- Focus on diversifying towards smaller clients¹ continued during 2024

E&P | Recurring EBIT

€ million; % change y.o.y.

Volume growth underpinning operational leverage

Excellent organic growth legitimised non-organic acceleration

EXPRESS & PARCELS | RECENT TRANSACTIONS

Accelerate to leadership in Iberian e-commerce, expanding offer and strengthening customer relationships

Diversify risk given B2B exposure and wider presence in the value chain (customs clearance)

Effectively attack the cross-border segment, one of the growth engines of e-commerce

Enhance future opportunities, benefiting from the incorporation of new skills

Partnership structure

EXPRESS & PARCELS | PARTNERSHIP WITH DHL

Structure

- Acquisition of 100% of DHL Parcel Portugal by CTT Expresso
- Acquisition of 25% stake in DHL Parcel Iberia by CTT, through Danzas
- Acquisition of 25% of CTT Expresso by DHL group

Operating model of the joint venture

- CTT Expresso operates B2C and B2B in Portugal and B2C in Spain
- DHL Parcel Iberia operates B2B in Spain

Valuation

- DHL Parcel Portugal valued at **€12m** EV
- DHL Parcel Iberia valued at **€106m** EV
- CTT Expresso valued at **€482m** EV
- Additional value levers for CTT and DHL, with a net amount of €15m, to be paid by CTT
- **Cash payment of €69¹m by DHL, for Phase 1** transaction assuming debt free/cash free²

Call Option scheme

- Exercisable following close of FY27 accounts
- CTT and DHL are granted options, upon the fulfilment of certain conditions³ related with operational performance, to increase their minority stakes up to 49%

Right incentives and focus on execution

¹May be adjusted at closing; ²This amount does not consider the acquisition of Cacesa by CTT Expresso;

³Trigger: Consolidated FY 2027 EBIT of the JV (Sum of the actual FY 2027 EBIT from DHL Parcel Iberia and CTT Expresso), to be above €96 million

Growth optionality: Cacesa

EXPRESS & PARCELS | ACQUISITION OF CACESA

Cacesa at a glance

Revenue breakdown (2023)

Fully aligned with CTT’s strategic roadmap

- Increases CTT’s presence in cross-border e-commerce flows
- Strengthens CTT’s foothold in customs clearance through a well-established player
- Reinforces CTT’s value proposition, with a highly complementary service offering, thus increasing loyalty
- Expands CTT’s geographical footprint across Europe
- Has visible operational synergies
- Accelerates CTT’s business transformation, with logistics and E&P becoming the largest contributors to the Group

¹Parcels delivered in the last mile through third party suppliers;

²Jun-24 LTM post-IFRS 16 adjustment;

³Figures post-IFRS 16 adjustment;

Strong and solid exposure to Spain, while providing further optionality

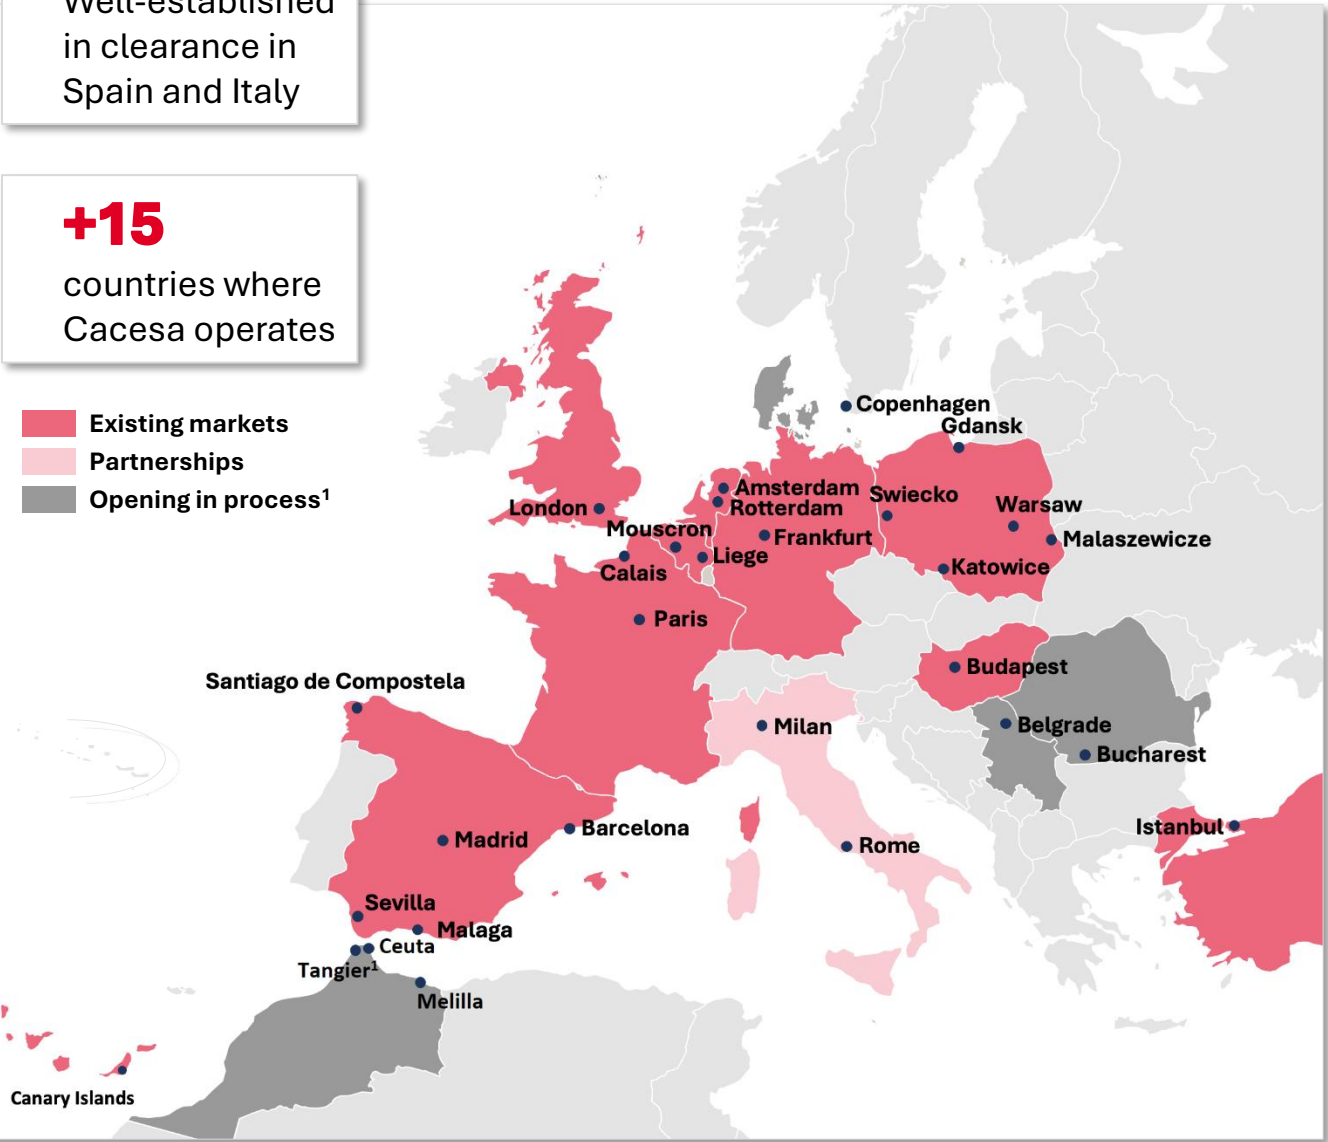

ctt

EXPRESS & PARCELS | ACQUISITION OF CACESA

Well-established
in clearance in
Spain and Italy

+15
countries where
Cacesa operates

Bridging Europe and China

- China to Europe represents 19% of global cross-border e-commerce orders
- Cacesa connects Europe and China, streamlining cross-border trade and e-commerce between the two regions

Positioned for EU growth and international expansion

- Cacesa has successfully expanded across the EU and is well-positioned for further growth in existing and new markets

Channelling shipment flows from Spain to Canary Islands & Latin America

- Cacesa is specialized in air parcel shipments from Latin American expats to their home countries and express parcels exports to the Canary Islands

¹Representative offices are established in Morocco and India, with operations pending the receipt of necessary regulatory approvals

The moves with Cacesa and DHL are remarkably complementary

Retail
Banco CTT

Focused on Group's franchise, while investing in key retail branches

BANCO CTT

1

Monetise customer base

Increase engagement, deepening banking relationships

2

Excel in savings

Leverage new Generali partnership and CTT brand as savings platform

3

Grow selectively on credit

Focus on “on-franchise” consumer finance and mortgage

Emphasis on franchise-based business (especially savings), with increasing credit volumes

A

Digital platform

Transform digital channels, with increased sales features and migration into cloud-based model

B

Human platform (branch network)

Increase level of specialisation, with more dedicated staff and improved branch design

Double-down investments on key platforms, enabling faster franchise monetisation

1 Sustained growth and strengthening customer engagement

BANCO CTT

Retail Clients

('000)

Valuable customer franchise with a bias towards younger, digital, urban and middle-class families

Stronger engagement of clients with Banco CTT:

- Wage domiciliation volumes growing >15%/year,
- Total card transactions growing >20%/year and
- Business volumes per client growing 15%/year

Going forward, Banco CTT is well positioned to reinforce engagement levels (e.g. partnership with Generali to develop insurance offer)

Customer franchise growing at the projected pace, despite increase in fee levels

Banco CTT is again the fastest growing retail bank in Portugal

BANCO CTT

Customer deposits¹

€ million, EoP

Market share improvement
(Portuguese deposits⁵ grew 7.2%)

- Improving **client engagement** by:
- Revamping hubs and upgrade core platform and digital channels
 - Reinforcing commercial capabilities to drive a more aggressive commercial approach
 - Loan growth subject to strict and unchanged risk appetite

Loans volumes^{2,3}

€ million, EoP

¹Retail Deposits, consolidated accounts; ²Net of impairments;
³Consolidated contribution; ⁴Cumulative; ⁵Deposits and deposit-like instruments; information from Banco de Portugal

>50%

clients actively using digital channels

Progress update

Enhance our agility and flexibility through the
Migration of digital channels

- Improvement in UX
- Improved time-to-market

UPDATE...

Strengthen of resilience and flexibility through the
Core System Upgrade initiative

- Capacity, resilience and flexibility improvements
- Moving to cloud

Enhance **Customer Engagement capabilities**

- Integration of multiple contact channels into the CRM and marketing automation system
- Coordinated multi-channel campaigns

Well positioned for faster technologic deployment

BANCO CTT

Specialised Commercial Staff

Headcount (Status of Roll-out 2024)

Combining a shared workforce with fully specialised commercial staff

- Shared workforce with proven ability for account opening and transactional services
- Highly synergic value to maintain, releasing productive time of “core-specialised workforce”
- Increased commercial proactivity, product knowledge and relationship building capacity

Transforming selected branches to elevate the customer experience

- Provide a more pleasant and functional environment, aiming to improve accessibility and convenience in line with current financial sector trends

Record PBT in Banco CTT, ahead of 2025 targets

Taxonomy, eligibility & alignment¹

€ million; % of Revenues and Capex

Last mile green vehicles (own fleet)³

electric vehicles

Carbon emissions⁴

thousand tonnes; % change vs. prior year

¹The activities identified in the previous year were maintained. However, the methodology for determining the corresponding turnover and CAPEX, changed to accommodate the clarifications of the EU Taxonomy and to improve alignment with the reporting of European peers. The 2023 numbers were revised accordingly for comparability.

²For taxonomy purposes, capex includes also new building lease contracts booked as right of use and remeasurements, in addition to what was reported in FY23.

³Past figures were restated due to change in methodology and for comparison purposes.

⁴Carbon emissions were adjusted to expand the categories included in the disclosure, using more recent databases and methodology changes.

Build-up of the most comprehensive electric fleet in Portugal

ESG

Continued focus on profitability

FINANCIAL REVIEW

Operating costs¹

€ million; % change vs. prior year

Operating costs (Rec. EBIT)¹ breakdown

€ million; % change vs. prior year; % of total

- **E&P** costs grew €33.1m mainly due to increased business activity
- **Mail & Other** costs increased €2.9m, due to inflation, while benefitting from higher FS contribution
- **Financial Services** costs increased €0.8m, due to higher public debt placements
- **Bank** costs decreased €2.6m mainly due to the reduction in impairment & provisions (-€4.1m) partially offset by higher staff costs.

¹Excluding Specific items;
²Including Central Structure

Solid growth contribution by E&P and Banco CTT

FINANCIAL REVIEW

Recurring EBIT¹

€ million; % change vs. prior year

Margin:

Normalisation of FS as a positive driver of rec. EBIT for 2025

Wrap up & Outlook

In a nutshell: a balanced and highly synergic portfolio

CONSOLIDATED VIEW

Revenues

€ million; % change vs prior year; % weight

Iberian e-commerce growth engine
Growing towards another record year

Leveraging new USO contract
Stabilising revenues given the new price formula and better mix

Profitability enhancer
Retail distribution of savings (public debt tickets) and insurance products

Fastest growing retail bank franchise in Portugal
Growth driven by stronger client engagement

CTT is now heavily geared towards e-commerce growth

1. Investment in business growth

Organic growth: transformation, technology, capacity and maintenance capex

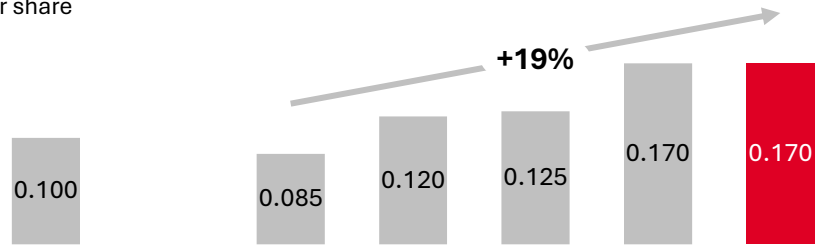

Inorganic growth: M&A opportunities in e-commerce logistics related assets

2. Attractive shareholder remuneration

Recurrent dividends¹
DPS; € per share

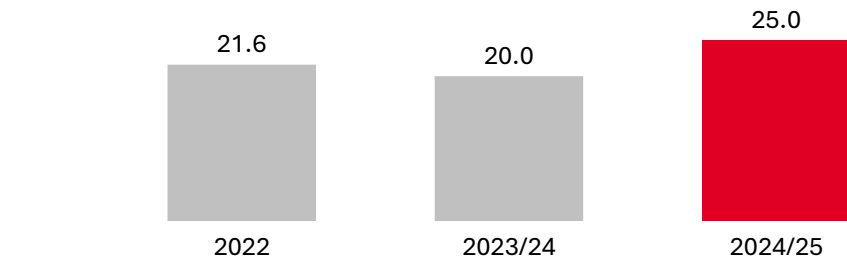

Fiscal year	2018	2019	2020	2021	2022	2023	2024
Divi. Yield ²	3.4%	-	3.6%	2.6%	4.1%	4.9%	3.1%
Divi. Payout ³	70%	-	76%	48%	49%	35%	52%

- ✓ Dividend of €0.17 per share proposed for the AGM of April 2025
- ✓ Fulfilling pay-out target: between 35% and 50% of net profit

Opportunistic share buyback
€ million

SBB Yield⁴

4.8% 4.0% 4.0%

- ✓ SBB of €25m in execution (~80% already completed)
- ✓ SBB of €20m executed in 2023/24; 5.475 m shares acquired and cancelled
- ✓ SBB of €21.6m carried out in 2022; 6.085m shares acquired and cancelled
